

Confidential Bach Flower Questionnaire

Camille Ventura, BFRP

1. Please tell me about the problem, habit, or situation you would like to address with the Bach flower remedies
2. How is the current problem or situation affecting you? What emotions or mental states can you identify?
3. Please tell me about how you usually react under stress. What happens to your mental/emotional/psysical state? Is there something you usually do to cope?
4. Do you sleep well? If not, please describe.
5. Do you have any questions about the remedies and/or Dr. Bach?
6. Anything else you would like to tell me?
